

Victorian Theatre

The Victorian Theatre is now the Tarnagulla hall, it is located in Tarnagulla on Commercial Road.

The Tarnagulla hall became open for the public to use in 1924 and is now mainly used for concerts and large functions; the building is made of brick and painted grey.

The Tarnagulla hall was once the Victorian theatre it was opened in 1861 and stopped being a theatre 1916 and it is still standing today.

The Victorian theatre stopped being used as a theatre because there are not as many people in Tarnagulla any more. The building is over 152 years old and has several rooms and is also a hotel and was also used to entertain miners.

I picked this building because I wanted to find out what it used to be and I learnt that it used to be a hotel and theatre. If you come in December you might be able to see the school concert there.
